ORGANIZATION INFORMATION

Mission

Minnesota Volunteer Safety Instructors Association is a non-profit statewide organization whose mission is to support Minnesota volunteer Department of Natural Resources (MN DNR) certified safety education program instructors through a network of local chapters.

Purpose

The primary purpose of the Association is to actively participate in and promote the MN DNR safety training education programs. More specifically, the objectives of the Association are: to promote recruitment, certification and retention of volunteer safety education instructors; to promote the establishment and continued support of state-wide local chapters and mentorship within and between local chapters; to facilitate communication between and for local chapters, the MN DNR and the Association; to promote adherence to the MN DNR rules and guidelines and the standards for associated chapters as spelled out in the Associations By-Laws; to solicit and accept donations and funding for local chapters and the Association in accordance with the 501(c)3 and LG555 filings; to foster the availability of the Association resources and benefits for local chapters and members; and to act as a voice in public forums for issues which pertain to the mission and the purpose of the Association.
